GENERAL INFORMATION

I. ORIENTATION WEEK

Orientation Week activities for new undergraduate students begin on Monday, September 19. Students should refer to the **Orientation Week Program** for the time that meetings and examinations are scheduled. It should be noted that attendance is required at certain tests and meetings. Students who have a conflict between registration and a required test should take the test as scheduled and register as soon as possible thereafter. The University requires an entrance physical examination of all new undergraduate students, including transfer students and veterans. **No new undergraduate student will be permitted to complete registration until he has a certification from the Infirmary that he has taken the required physical examination.**

II. REGISTRATION PROCEDURE

1. Students who received the registration record form and the statistical card by mail in advance of registration should fill them out and bring them when they report for registration. Students who did not receive these forms should secure them from the office of their Dean.

2. Registration begins in the office of the appropriate Dean at the time listed in the schedule on page 3. The offices of the Deans are located as follows:

School or College	*Room*	*Building*
Graduate School	214	Skinner Building
College of Agriculture	139	Symons Hall
College of Arts and Sciences	112	Francis Scott Key Hall
College of Business and Public Administration	144	Taliaferro Hall
College of Education	114	Skinner Building
College of Engineering	107	Engineering Classroom Building
College of Home Economics	115	Margaret Brent Hall
College of Military Science and Tactics	111	Armory
School of Nursing	111	Skinner Building
College of Physical Education, Recreation and Health	102	Gymnasium

3. The student's Adviser or Dean should be consulted regarding selection of courses. The following forms should be filled out:

   a. Three copies of the course card (graduate students use the blue form; undergraduate students, the white).

   b. One class admission card for each course listed on the course card.

   c. Undergraduate students should fill out a tentative schedule of classes, using the form printed on page 39, making sure that all courses can be scheduled without a conflict in time. It is important to note that this schedule is only tentative. It may be necessary to assign students to sections other than those on the tentative schedule.

4. Both the student's Adviser and Dean must approve a registration by signing the course card. One copy of the approved course card will be retained by the Dean.

5. After the Adviser and Dean have approved a registration, the student should report to the Armory where registration is completed. The following detailed instructions should be noted:

   a. Only those students engaged in the actual process of registration may be admitted to or remain in the Armory.

   b. Students should first secure section assignments from the departmental representatives for all the courses listed on their course card for which more than one section is being offered.

   c. A bill for the appropriate charges will be issued by the fee clerks.

d. Veterans' Financial Arrangements for World War II Veterans and Disabled Veterans (P.L. 346, 16, and 894). **Korean Veterans, P.L. 550 (not disabled) should read sections e and m.** Veterans entering the University for the first time under the G. I. Bill will present Certificates of Eligibility, secured from the Veterans' Administration. Those who have not filed certificates must make cash payment. All veterans under P.L. 346, 16, and 894 must present bills to the Veterans' Accounts Clerks.

e. Students who are not veterans, Korean Veterans (P.L. 550), and those veterans who must pay fees will make payment to the Cashier. The Cashier will issue dining hall cards to boarding students.

f. Full-time undergraduate students will be issued athletic books which entitle them to admission to games.

g. All students who plan to drive an automobile on the campus are required to register the car. The operator's permit and automobile registration card should be presented at registration.

h. Identification cards will be prepared for new students. Former students will present identification cards previously issued to be authenticated.

i. Every new student will have his picture taken.

j. Post office box numbers will be assigned to all full-time undergraduate students. The box number must be added to the registration record form.

k. All students should fill out a schedule card, showing the hour and day each class will meet.

l. Registration is not complete or official until the student submits to the checking clerk the following forms: yellow copy of the paid bill, registration record form, statistical card, course card, class admission cards, and schedule card. It is important for the student to retain the pink copy of the bill, which is his receipt for payment of fees.

m. All Korean Veterans (P.L. 550) must check with the clerk for Korean Veterans.

n. All students who expect to complete the requirements for a degree by January, 1956 must fill out an application for diploma form before leaving the Armory.

IV. CHANGES IN REGISTRATION

A change in registration may be made by filling out an authorization for change in registration form in the office of the student's Dean, securing the approval of the Dean, and filing the change form in the Office of the Registrar. After the first week of the semester, beginning October 3, a charge of $3.00 is made for each change in registration.

A student who does not attend a course for which he is registered and has not officially dropped will receive a mark of failure in the course.

Only in exceptional cases will a student be permitted to add a course after the first week of the semester.

The last day that a course may be dropped is November 18 ,1955. After that date, a student who drops a course will receive a mark of failure in the course.

Credit cannot be obtained for courses for which the student is not officially registered in both the office of the student's Dean and the Registrar's Office.

V. CHANGE IN COLLEGE

To effect a change in college, a student should fill out a change in college form in his Dean's office, secure the signatures of the Deans concerned, and file the change in the Office of the Registrar. **No change in college is permitted other than at stated registration periods or during the first week of the semester.**

VI. REGISTRATION FOR BALTIMORE COURSES

Students must register through the Baltimore Office of the Registrar for all courses offered by the Baltimore Schools and Colleges. Whenever a student carries courses both at Baltimore and at College Park, two registrations are required.

VII. REINSTATEMENT

Former undergraduate students not in attendance at the close of the Spring Semester, 1954-55, cannot begin registration until they secure a certification of readmission from the Office of Admissions. Students seeking reinstatement after having been dropped should apply to the Committee on Admissions, Guidance and Adjustment.

VIII. MILITARY TRAINING AND PHYSICAL ACTIVITIES

All male undergraduate students must have credit for two years of military training and physical activities to satisfy one of the requirements for the bachelor's degree. Under certain

conditions, students may be excused from this requirement provided they offer proof of honorable military service, or have had equivalent training at a school accredited by the Department of the Army or Air Force. Students who wish to know if they may claim credit for military training and physical activities should report to the Military Department in person prior to registration.

IX. CHANGE OF ADDRESS

Any student who changes his address after registration, should notify both his Dean and the Office of the Registrar.

X. MID-TERM REPORTS

Mid-term deficiency reports are submitted by instructors to the academic deans concerned for all students whose work has been unsatisfactory during the first weeks of the semester. These reports are filed by the instructors no later than November 4, 1955.

XI. ACADEMIC REGULATIONS

Each student is held responsible for following the rules which appear in the **Academic Regulations.**
